Deloris - Fabulous Baby!

Look at my style, could it be more glam?
Look at my look, can you say 'hot damn!'
Look and at once, you know what I am -
Me, I'm fabulous baby!

Look at my moves, don't they blow your mind?
Drama and talent and sex combined!
Hell, you can tell even if you're blind,
See, I'm fabulous baby!

I'm meant to be where the spotlight shines,
Born to be on display.
Built to be dressed to the ninety nines,
And ready to stand and say:

Look at me, can't you see?
I'm fabulous, baby!
Look right here, ain't it clear
Where I'm heading to?
And look at the time honey, I can't stay.
Look while you can 'cause I'm on my way.
Me, I'm fabulous baby,
I've got fabulous things to do.

Just stand back and clear the track 'cause
Look at me, can't you see?
I'm fabulous, baby!
Check me out, ain't no doubt where this girl is found.
So joke all you want, go ahead and laugh,
One day you'll beg for my autograph.
Oh, I'm fabulous, baby!

Can't you see me lit up on a stage as the cameras adore me?
Can't you see me out walking red carpets or doing TV?
Can't you see all the millions of fans screaming desperately for me?

I'm a diva, a goddess, a star on the brink,
A house-rocking vision, in hot shocking pink!
A party, a riot, the whole kitchen sink!
It's time for the world to find out, don't you think?

Oh, look at me, can't you see?
I'm fabulous, baby!
Feast your eyes, can't disguise
My star quality!
So laugh all you want, I won't be denied!
What I have got is too hot to hide.
I am fabulous, baby,
So damn fabulous, baby,
I'll do fabulous, guaranteed!
I'll be fabulous, baby,
Fresh, free, fabulous, baby.

Fine and fabulous, wait and see!

Mother Superior - Here Within These Walls

Outside, life's a mess,
No one's pure of spirit any longer,
There's no wrong or right, just wrong and
wronger.
People have amused themselves to
death.
Outside, life is grim,
Filled with smut and scandal to the brim,
I suppose there may be room for Him -
Frankly, I don't plan to hold my breath.

But here within these walls, days are filled
with grace.
God is in his place, his wisdom still
respected.
Here within these walls, life has a different
pace from life beyond our doors,
And for what it's worth, this life's now
yours!

Outside all is vice,
People now are absolutely shameless.
Most, including those who shall be
nameless,
Hardly seem to know or even care.
Outside, all is sin,
And I won't have the outside coming in.
Trust me, it's a battle you won't win -
Frankly, dear, you haven't got a prayer.

Here within these walls, life is sweet and
good.
Faith is understood, and selfishness
rejected.
Work, prayer, and sisterhood are what
life's built upon.
That's how it will stay, or else you're gone!

So put aside your gluttony!
Put aside your pride!
As for carnal lust, you need a break, I
trust.
Put it all aside!
Put aside intemperance!
Profanity as well!
Put aside each remnant of your former
worldly shell.

Here within these walls,
All is stripped away.
Surrender and obey,
That's all that is expected.
Here within these walls,
All else is kept at bay,
Through the world may go astray,
Here eternal truths hold sway.

Here within these walls,
Life is truly blessed!
Here you're God's own guest,
Celestially protected.
Here within these walls,
All's for the very best
And always shall be thus and if heaven's
will be done,
Here she'll just be one more nun,
Safe within these walls as one of us!

Mary Robert - The Life I Never Led

I've never talked back,
I've never slept late,
I've never sat down,
When told to stand straight.
I've never let go
And gone with the flow,
And don't even know, really, why.
I've never asked questions,
Or taken a dare.
I've never worn clothes
That might make people stare.
I've never rebelled,
Or stood up and yelled,
Or even just held my head high.

And all of the feelings unspoken,
All of the truths unsaid,
They're all I have left
Of the life I never led.

I've never gone surfing,
Or ran with a crowd,
Or danced on a table,
Or laughed much too loud.
I've never quite dared
To leave myself bared -
I've just been too scared I might fall.

I've never seen Paris,
Swum naked,
Been kissed.
I've never quite realised
Just how much I've missed.
And what did I get
For hedging each bet?
Another regret, and that's all.

And all of the wishes unasked for,
All of needs unfed -
They're all that remain
Of the life I never led.

And now...
Now that you've given me one
Little taste of it -
And now...
Now that I know what I know -
Well how...
How can I go on ignoring the waste of it?

After all of the years
That I've clung to my fears
Won't you help me let go?
Help me let go!

I want to be brave,
I want to be strong.
I want to believe
I'm where I belong.
To stand up and say
"I'm seizing the day",
To not just obey, but to choose.

And I may not surf,
I may not see France,
But I want to know
I still have the chance.
And maybe I'll make
A painful mistake
It's mine though, to take or refuse.

And all of the doors yet to open,
All of the rooms ahead -
They're beaconing bright
Scary and new -
But I'm standing tall,
And I'm walking through.
What's gone may be gone,
But I won't go on
Playing dead!

It's time to start living
The life I never led.

Eddie - I Could Be That Guy

Sweaty Eddie.

Sweaty Eddie!

All of my life, that's what they've called me, and that's what I've been.

The blur in the background, the king of uncool,

The first at the office, the last in the pool.

And it's true,

But what can I do?

Tell me, why can't she see there's much more to me deep within?

Picture a guy, a knight in rhinestone armour,

Gleam in his eye, a zillion-watt smile,

Sharp threads, moves that get 'em starin',

A turner of heads, cool beyond comparin',

Bringin' the pride with a spring in his stride, and a fistful of style!

And I...

I could be that guy.

I could be the cock of the walk, and the talk of the town,

Leadin' the pack when the action goes down!

Yeah, I...

I'll betcha I could set the world astir

If I only let myself try, well, I could be that guy...

For her.

Foolish, I know,

I've never been a charmer.

Just can't let go,

But if I could,

I would show 'em, but good,

That I...

I could be that guy!

I could be the dude all in white, bathed in light on the floor

Livin' out loud, as the crowd shouts for more!

Yes, I...

I could holler "yes!" to destiny!

Time to step out,

No more fear, no more doubt,

It's time to grow some wings and start to fly!

Oh, I...

I just gotta believe.

I just gotta, gotta,

Got to believe.

If I'd only believe

If I'd only believe

That I, yes, I could be that guy!

I could be the cream of the crop set to pop!

All the rage!

Blistering hot in a spot, centre stage.

Yes, I...

I got what it takes to break away!

Aw, who am I kidding? I'll always be Sweaty Eddie to her.

But before it's my time to die, hell, I will be that guy, someday.

Ooh...

Maybe someday...

Maybe someday.

Curtis - When I Find My Baby

I know the way that she thinks,
I know her habits and kinks,
I know the stuff she's all about.
I know the people she knows,
At all the places she goes,
I know her up, down, inside out.

I know the needs that she's got,
I know what gets the girl hot,
I know I've got the inside track.

And yeah, I know she's upset,
Well, let her play hard-to-get,
'Cause if I know one thing
I'm gettin' her back!

Because I know that girl!
I mean, I feel that girl!
I understand that girl!
And if I want that girl,
I'm gonna get that girl!
Ain't gonna let that girl get away!
No way!

And when I find that girl,
I'm gonna kill that girl!
I'm gonna wham! Bam! Blam!
And drill that girl!
Won't rest until that girl is safe and sound six feet below,
No...
When I find my baby,
I ain't lettin' her go!

TJ / Joey / Pablo - Lady In The Long Black Dress

What's happenin', sister? Yeah, i'm talkin' to you. My name's Joey. I'm a Libra, I dig sunsets, strolling on the beach, and loving my neighbour as myself. And right now, baby, I'm standing next door to you.

Picture you and me one
Sweet, sweet night,
In a pool of votive candlelight.
Just one thing could make the
Mood more right -
God droppin' in to sing like Barry white.

Hey, lady in the long black dress,
Let's give you something to confess.
Woah oh oh!
Hey lady, take a good long glance.
I ain't no pastor,
I'm a stone cold master of romance!

That ain't no way to get a lady, honky. Here's how you talk to a Sister: Ave, baby. My name's TJ, Scorpio. An' lemme guess, Virgo, right? Well put away that rosary, girl, 'cause i'm here to sweep you off your knees and take you to a place I like to call TJ town. So...

Loosen up those vestments, just a bit.
Drop that bible, baby yeah, that's it.
See, I know what all your vows permit.
And I don't mind keepin' it immaculate!

Hey, lady in the long black dress,
Let's sneak away and go transgress.
Woah oh oh!
Hey lady, why not take a chance?
Come on, Proud Mary,
Meet your missionary of romance.

Sister Lazarus / Patrick / Martin of Tours / Theresa / Ensemble- Take Me To Heaven
(Reprise)

I been thinkin' aboutcha
Since receivin' your call.
Can't see livin' withoutcha,
You've got me - mind, soul, body and all!
Pray and I pray, every night and each day,
Hopin' that you'll drop a line.
Pray and I pray 'til you sweep me away,
Straight to cloud number nine!
Aw, you are simply too divine!

Take me to heaven,
Take me to ecstasy!
I'll give you all I've got,
'Cause nothin's as hot as when you groove with me!
No, no, no no!

And when you strut your stuff, and do your thing,
I just can't help surrendering!
You're so strong, you're so sweet,
You're what makes me complete.
I just worship at your feet!

Take me to heaven,
Take me to kingdom come!
I'll take any vow.
Just take me now!
